EDUCATION

National Post Graduate College 2023 - 2026	St. Paul's College 2009 - 2023	
Bachelor of Computer Applications	ICSE	ISC
CGPA : 8.2	95.1%	91.2%

PROJECTS

Shiksha Swap (In Progress)

Tech Stack: Java, Spring Boot, Flutter, MySQL, AWS

- An Android app with monolithic SpringBoot backend and Flutter frontend.
- An educational marketplace with a custom matching engine that connects students with tutors for on-demand academic assistance.

Smart Waste Management

Tech Stack: MERN Stack, Arduino, IOT

- Developed an IoT-powered smart bin that detects human presence and automatically opens, reducing manual contact and contamination risks.
- Implemented real-time waste level monitoring using IoT sensors and displayed data on a web dashboard.
- Integrated Chart.js to provide a 7-day waste trend analysis

Memory Challenge Game

Tech Stack: HTML, CSS, JS, NodeJS, Express JS

- Designed an interactive game stall project for college techfest to test memory and focus.
- Implemented a slideshow of 12 images displayed in 15 seconds, followed by a puzzle where players arrange shuffled images in correct order.
- Integrated prize-winning logic to enhance engagement and gamification.
- Strengthened skills in JavaScript, DOM manipulation, and event-driven programming.

Airbnb

Tech Stack: MERN Stack

- Designed and built a full-stack rental platform enabling users to list, search, and book accommodations.
- Integrated Google Maps API for interactive map functionalities.
- Deployed frontend and backend on Render, with a MongoDB Atlas database for scalable storage.

TECHNICAL SKILLS

- Programming - Java, JavaScript, SQL
- Frameworks - Spring Boot, Hibernate, MERN Stack
- Tools - Docker, Git/GitHub
- Web - REST APIs, Bootstrap
- Architecture- MVC, Microservices

CERTIFICATIONS

DELTA - Full Stack Web Development

Apna College

- Intensive MERN Stack course covering frontend, backend, databases and deployment.

Java Spring Framework

Udemy - Navin Reddy (Telusko)

- Learned the fundamentals of Java , Advanced Java, Spring and Spring Boot and Backend Development

Java Backend Development (Ongoing)

Hanumant Technology Pvt. Ltd.

- Training Program of the backend development in Java and Spring Boot

Java Fundamentals

Udemy - Abdul Bari

- Completed course covering object-oriented programming and core Java concepts

Java Full Stack

Eduskills Virtual Internship

- Learned the Java Full Stack Development with Java backend frameworks

RESEARCH AND EXPERIENCE

Studies in Science of Science (Scopus Indexed Journal), Vol. 43 No. 8, 2025

- Published research paper “Hybrid Approach of ElGamal and Paillier”, proposing a novel hybrid cryptographic model that enhances security and computational efficiency.
- Applied advanced concepts of homomorphic encryption, ElGamal, and Paillier schemes to improve data privacy in secure computations.

ACHIEVEMENTS

- Scored 95.1% in ICSE and 91.2% in ISC, maintaining a top 5 rank in school throughout high school.
- Awarded Subject Topper with a perfect score of 100/100 in Social Science, ICSE 2021
- Reciept of Meritorious Award 2023 at event conducted by College Dekho and Dainik Jagran
- Ranked 1st in BCA for five consecutive semesters, demonstrating consistent academic excellence
- Participated in Inter College Coding Competition at ITS Ghaziabad (Samagra)
- Represented our college at ITS Ghaziabad (Samagra) Quiz Competition and secured 1st position
- Volunteered in organizing college-level technical fest
- Recipient of Arjuna Award 2025 for academic excellence and leadership at Udaan 4.0, Lucknow.
- Presented the research paper on Technology Enabled Promotion of Indian Knowledge Traditions in Contemporary Education in the CKNKH National Seminar 2026.
